2.1 The Contract shall be subject to these Conditions and except as provided in clause 2.3 no representative or agent of the Company has authority to agree any terms or make any representations inconsistent with them or to enter into a Contract except on the basis of these Conditions.

2.2 Unless otherwise agreed in writing pursuant to clause 2.3, the Contract will be subject to these Conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Customer purports to apply under any purchase order, confirmation of order, specification or pre-contract negotiations) or any inconsistent terms implied by law or trade custom, practice or course of dealing.

3.1 No order in pursuance of any Quotation or otherwise shall be binding on the Company unless and until such order is made in writing and made by post or by facsimile and is accepted by the Company pursuant to clause 3.4.

3.2 Any Quotation given by the Company relating to the price of the Goods and/or Services and the time or period for delivery of the Goods and/or Services or otherwise is based on the relevant conditions and information known to the Company at the time and the condition of the Premises at the time, on the assumption that all drawings, plans and specifications as approved by the Customer are correct and does not constitute an offer. Unless previously withdrawn or otherwise agreed in writing, any Quotation shall be valid for a period of 30 days, or if different, for the period stated in the Quotation. However all Quotations and orders are subject to withdrawal or alteration in whole or in part by the Company at any time. For the avoidance of doubt the most recent Quotation sent by the Company to the Customer shall take precedence over any others sent by the Company and shall, if accepted, form the basis of the order. Should the Customer vary its order at any time, the Company hereby reserves the right to issue a new Quotation which shall take precedence over any previous Quotations.

3.3 No order which has been accepted by the Company may be cancelled by the Customer except with the agreement in Writing of the Company and on terms that the Customer shall indemnify the Company in full against all loss (including loss of profit), costs (including without limitation the cost of delivery to and collection of Goods from the Customer, of all labour and materials used whether in carrying out installation of the Goods or removing installed Goods or otherwise), damages, charges and expenses incurred by the Company as a result of cancellation.

3.4 Each order for Goods and/or Services by the Customer shall be deemed to be an offer by the Customer to purchase Goods and/or Services on these Conditions. No order placed by the Customer shall be deemed to be accepted by the Company until a written acknowledgement of order is issued by the Company or (if earlier) the Company delivers the Goods and/or Services to the Customer.

3.5 The quantity and description of the Goods and/or Services and any specification for them shall be as set out in the Quotation or in the acceptance of order issued by the Company and the Customer shall ensure that the terms of its order and any applicable specification are complete and accurate.

3.6 Except when incorporated in the Quotation by specific reference all representations specifications, drawings, particulars of weight, shapes, descriptions, illustrations, prices and other advertising material contained in the Company's catalogues or brochures or website or otherwise are issued or published for the sole purpose of giving an approximate idea of the Goods and/or the Services described in them and will not form a representation or be part of the Contract. Furthermore, the Company reserves the right to correct any clerical or typographical errors made by its employees, its sub-contractors or agents at any time.

3.8 Unless otherwise agreed in Writing by the Company, the Customer may not vary its order and/or specification for Goods and/or Services and the Customer shall be responsible for ensuring that the Goods and/or Services required are acceptable for their purposes.

4. Services

4.1 The Services to be provided by the Company under this Contract (if requested by the Customer) are as follows:-

4.2 Where the Contract provides for Services to be performed by the Company, the Company will supply the necessary supervisory personnel, skilled and unskilled labour and hand tools for the performance of the Services as specified in the Quotation;

4.3 For the avoidance of doubt, the Services shall not include the provision of advice (including in relation to any planning permission requirements) or services or the installation of any goods or carrying out of any work in, or in connection with, the design, manufacture, development, production, processing, treatment, testing, delivery, erection, repair or servicing of any goods in relation to structural matters or electro-mechanical matters in respect of the Premises. For the avoidance of doubt the Services shall not include any work required for the recessing of floors or the provision or creation of supporting walls for the Goods. In respect of such services, the Customer shall be responsible for procuring the services of the relevant specialist for such work and shall be responsible for indemnifying the Company for any proceedings, costs, losses, expenses, liabilities, injury, death or damages arising from the provision of services from such person or persons.

4.4 The Customer acknowledges that the Company does not have expertise in assessing the suitability and structural soundness of the Premises in respect of the Goods and/or Services to be provided pursuant to these Conditions. For the avoidance of doubt, it shall not be the responsibility of the Company to obtain the necessary approvals, permits licenses, comply with building regulations or advise on the suitability or structural condition of the Premises and the Customer shall commission a survey of the Premises from a qualified surveyor to establish whether the Goods and/or Services to be provided under this Contract are appropriate under all the circumstances. The Customer shall indemnify the Company against all proceedings, costs, losses, expenses, liabilities, injury, death or damage arising out of any failure by the Customer to comply with this clause 4.5 and/or as a result of any defects in the structure of the Premises.

4.5 The Company shall use all reasonable endeavours to observe all health and safety rules and regulations and any other reasonable security requirements that apply at any of the Premises and that have been communicated to it, provided that it shall not be liable under this Contract if, as a result of such observation, it is in breach of any of its obligations under this Contract.

4.6 In respect of the Services, the Customer shall comply with all relevant legislation in relation to the Services, the installation of the Company's Goods, the use of the Goods in so far as any necessary licenses, consents and legislation relate to the Customer's Premises, staff and equipment and in all cases on or before the commencement date of the provision of the Services.

5.1 If the Goods are to be made or the Services are performed by the Company in accordance with a specification, instruction or design submitted by the Customer or any third party on behalf of the Customer then:

5.1.1 the suitability, accuracy and completeness of any terms of any order, the specification, instruction or design will be the Customer's responsibility;

5.1.3 the Customer will indemnify the Company against any loss, damage or expense in respect of any liability arising in any country by reason of the Goods being made and/or the Services being performed to such specification, instruction or design.

5.2 The Company reserves the right to make any changes in the specification of the Goods and/or Services which are required to conform with any applicable statutory or EC requirements or, where the Goods and/or Services are to be supplied to the Company's specification, which do not materially affect their quality or performance and the Company may charge the Customer extra for such changes.

5.3 The Customer shall supply details of briefs and specifications and any necessary information relating to the Goods and/or Services in reasonable time to enable the Company to complete design development and production in respect of the Goods and/or Services within the time period estimated by the Company pursuant to clause 8.3.

5.4 Where appropriate detailed plans and drawings and/or prototypes of the Goods and/or Services will be issued for the Customer's approval after the receipt of the Customer's brief and/or specifications.

5.5 Any plans, drawings, and/or prototypes, descriptions, illustrations, dimensions or particulars submitted by the Company to the Customer pursuant to clause 5.4 are approximate only and are only issued for the sole purpose of giving an approximate idea of the Goods and/or Services described in them. They must not be taken as binding in detail and the Company will not be liable for any error or omission.

5.6 Any drawing, photographic material of any description, catalogue, literature, leaflets, blueprints, Quotations and all or any other documents produced for the purpose of producing the Goods and/or providing the Services and all Intellectual Property Rights in the same shall remain the exclusive property of the Company and shall not be copied or otherwise reproduced by the Customer without first obtaining the consent of the Company in Writing.

6.3 The Price is exclusive of any value added tax, and if relevant all taxes, duties and other government charges and all costs or charges in relation to insurance of the Goods whilst on the Premises, all of which amounts the Customer will pay in addition when it is due to pay for the Goods and/or Services.

7. Terms of Payment

7.1 Except as otherwise agreed in Writing between the Customer and the Company, the Company shall be entitled to invoice the Customer immediately for the Goods and/or Services on the date of or at any time after the Customer places its order and the Company will be permitted to submit invoices for the Goods and/or Services and payment shall be made by the Customer in one lump sum (on the date specified by the Company in writing) or in the following installments at the Company's sole discretion:-

7.1.3 the remainder 5% upon completion of the delivery and/or installation of the Goods.

7.2 Except for Goods which are lift parts for which payment of the total price shall be made on delivery, where the Company does not specify dates for payment, or whether payment may be by installments, the Customer shall pay the total price in one lump sum and in any event (where applicable) any charges under clause 8.5.1 within 30 days from the date of the Company's invoice and the Company shall be entitled to recover the Price, notwithstanding that delivery of the Goods and/or performance of the Services may not have taken place and/or that the property in the Goods has not passed to the Customer. The time for payment of the Price shall be of the essence of the Contract and the Customer shall not withhold payment for any reason whatsoever whether in relation to the Contract or any other contract with the Company, including but not limited to where the parties are in dispute in relation to the Contract or any part thereof (except where otherwise agreed by the Company in writing). Receipts for payment will be issued only upon request.

7.3 No payment shall be deemed to have been received until the Company has received cleared funds from the Customer.

7.4 If the Customer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to:

7.4.1 suspend any future performance of the Contract (including any delivery of the Goods) or any other Contract with the Customer;

7.4.2 appropriate any payment made by the Customer to such of the Goods and/or Services (or the goods and/or services supplied under any other contract between the Customer and the Company) as the Company may think fit (notwithstanding any purported appropriation by the Customer); and

7.4.3 charge the Customer interest (both before and after any judgment) on the amount unpaid, at the rate of five (5%) per cent per annum above National Westminster Bank base rate from time to time or at the rate applicable under the Late Payment of Commercial Debts (Interest) Act 1998 (whichever is the higher) until payment in full is made (a part of a month being treated as a full month for the purpose of calculating interest).

7.5 The Customer shall make all payments due under the Contract without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Customer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Customer.

7.6 All payments payable to the Company under the Contract shall become due immediately upon termination of the Contract despite any other provision.

7.7 The Customer will pay to the Company any extra costs (including without limitation, storage costs for any Goods) that the Company will incur as a result of the variation delay or suspension of work arising from any act or omission of the Customer's or any other contractor employed by the Customer, or by any other circumstances for which the Company is not responsible.

8. Delivery

8.1 Unless otherwise agreed in writing by the Company delivery of the Goods shall take place at an address stated on the Quotation, or acknowledgement of order and by the mode of delivery and the carrier specified by the Company. The Customer shall be deemed to have taken delivery of the Goods when the Goods are made available for offloading or handing over to the Customer at the Premises.

8.2 Where the Company provides Services the Customer undertakes to provide at its expense vehicular access at the place of delivery which is suitable for use as specified by the Company and is safe, clear, flat and unobstructed from the delivery offloading point to the area of installation and that delivery can be effected by normal doors without the use of window tackle or other specialized equipment except as specified by the Company ("Clear Access"). The Company reserves the right to charge the Customer extra if such Clear Access is not provided to the Company's satisfaction.

8.3 Any dates quoted or specified by the Company for delivery of the Goods and/or performance of the Services are approximate only and time for delivery and/or performance shall not be of the essence or be made of the essence by notice. If no dates for delivery and/or performance are so specified, delivery will be within a reasonable time subject to clause 12.1. The Goods may be delivered by and/or the Service may be performed by the Company in advance of the quoted delivery/installation date upon giving reasonable notice to the Customer.

8.5 Where the Company only sells Goods which are lift parts, if the Company delivers to the Customer a quantity of Goods of up to 5% more or less than the quantity ordered, the Customer shall not be entitled to object to or reject the Goods or any of them by reason of the surplus or shortfall and shall pay for such Goods at the pro rata Contract rate.

8.6 Where the Goods are to be delivered in installments, each delivery shall constitute a separate contract and failure by the Company to deliver any one or more of the installments in accordance with these Conditions or any claim by the Customer in respect of any one or more installments shall not entitle the Customer to treat the Contract as a whole as repudiated.

8.7 Where the Company only sells Goods which are lift parts, the Customer will take delivery of the Goods within 7 days of the Company giving it notice that the Goods are ready for delivery.

8.8 If for any reason the Customer fails to take or will not accept delivery of the Goods when they are ready for delivery, or the Company is unable to deliver the Goods on time because the Customer has not provided appropriate instructions, documents, Clear Access, licenses or authorisations then without prejudice to any other right or remedy available to the Company:

8.8.1 the Company may store the Goods until actual delivery whereupon the Customer will be liable for all related costs and expenses (including without limitation storage and insurance) and the Company will be entitled to invoice the Customer for such costs and expenses monthly in arrears;

8.8.2 save where clause 8.8.4 applies the risk in the Goods will pass to the Customer (including for loss or damage caused by the Company's negligence) at the point when delivery would have taken place if the Customer had taken delivery and complied with its obligations in this Agreement;

8.8.3 save where clause 8.8.4 applies, the Goods will be deemed to have been delivered;

8.8.4 the Company may sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Customer for the excess over the price under the Contract or charge the Customer for any shortfall below the price under the Contract.

8.9 In the absence of prior written agreement between the Company and the Customer the Company shall be allowed Clear Access to the Premises to perform the Services and the Customer shall furnish the Company without charge and within a reasonable time with all information available to it relating to the Services and/or Premises and shall give such assistance and at its own expense provide such facilities at the Premises including but not limited to the provision of access light electricity security and other services as shall reasonably be required by the Company to enable it to exercise its obligations under the Contract.

9. Non-Delivery and Short Delivery

9.1 The quantity of any consignment of Goods as recorded by the Company upon dispatch from the Company's place of business shall be conclusive evidence of the quantity received by the Customer on delivery unless the Customer can provide conclusive evidence proving the contrary.

9.2 The Company shall not be liable for any loss of Goods or damage in transit (where the Company agrees to deliver the Goods to the Customer's place of business at the Company's risk) or for non-delivery or short delivery of the Goods or non-performance of the Services (even if caused by the Company's negligence) unless written notice is given to the Company within 3 days of the date when the Goods would in the ordinary course of events have been received or the Services performed.

9.3 Any liability of the Company arising pursuant to clause 9.2 shall be limited to replacing or (at the Company's discretion) repairing the Goods and/or delivering the Goods and where applicable performing the Services within a reasonable time and/or issuing a credit note at the pro-rata Contract rate against any invoice raised for such Goods and/or Services.

10.3 Notwithstanding delivery and the passing of risk in the Goods, or any other provision of these Conditions, ownership of the Goods shall not pass to the Customer until the Company has received in full (in cash or cleared funds) payment in full of the price of the Goods and all other goods agreed to be sold by the Company to the Customer and Services performed.

10.4.5 hold the proceeds of the insurance referred to in clause 10.4.4 on trust for the Company and not mix them with any other money, nor pay the proceeds into an overdrawn bank account.

10.5 Until such time that ownership in any of the Goods has passed from the Company to the Customer and in any event if the Customer's right to possession terminates pursuant to clause 10.7 below, the Company shall be entitled at any time to require the Customer to deliver up the Goods and in particular the Masterboard to the Company and, if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the Goods are stored and/or installed and repossess the Goods and if this is not possible, remove the Masterboard and the Customer grants, and procures the grant of, to the Company, its agents and employees, an irrevocable licence at any time to enter any premises where the Goods are, or may be stored and/or installed, for this purpose. The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods have not passed from the Company.

10.6 The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company, but if the Customer does so all moneys owing by the Customer to the Company shall (without prejudice to any other right or remedy of the Company) forthwith become due and payable.

10.7 The Customer's right to possession of the Goods shall terminate immediately if:

For the avoidance of doubt, no warranty is given as to the suitability of the Goods for carriage of goods, materials, equipment, furniture or other such similar items.

11.10 Where the Company exercises its rights to remove the Goods (or any part thereof) pursuant to clause 10.5 above, the Company shall use all reasonable endeavours to minimize any damage to the premises from which the Goods are removed. 12.3 Nothing in these Conditions excludes or limits the liability of the Company for death or personal injury caused by the Company's negligence or for fraudulent misrepresentation or for liability to Consumers for defective products under the Consumer Protection Act 1987.

THE CUSTOMER'S ATTENTION IS IN PARTICULAR DRAWN TO THE PROVISIONS OF CLAUSE 12.4

12.4 Subject to and without prejudice to clauses 3.7, 4.3, 8.4, 9.3, 11.2, 11.3, 11.6, 11.7 and 12.1:

12.4.1 the Company's total liability in contract, tort (including negligence or breach of statutory duty or where the Goods and/or Services breach, infringe or make unauthorised use of third party rights), misrepresentation, restitution or otherwise arising in connection with the performance or contemplated performance of the Contract shall not exceed the price of the Goods delivered and/or Services performed under this Contract; and

12.4.2 the Company shall not be liable to the Customer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract for any loss of profits or for any indirect, special or consequential loss or damage (whether for loss of business, depletion of goodwill or otherwise), costs or expenses or other claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the supply of the Goods and/or Services (including any delay in supplying or any failure to supply the Goods and/or the Services in accordance with the Contract or at all) or the use or resale of the Goods by the Customer; and

12.4.3 the Company accepts no responsibility or liability where the Goods and/or Services cannot be provided as a result of any act or omission of the Customer and in such event the Customer shall still be liable to pay the Company for the Goods and/or Services as if the same had been duly delivered and/or performed.

12.4.4 Nothing in these Conditions shall affect the statutory rights of Consumers.

13. Indemnity

13.1 Except where the Customer is a Consumer, the Customer shall indemnify the Company against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation, and all interest, penalties and legal and other reasonable professional costs and expenses) (each a "Claim") suffered or incurred by the Company arising out of or in connection with:

13.1.1 Any claim made against the Company by a third party arising out of or in connection with the provision of the Services or the supply of the Goods, to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of this Contract by the Customer, its employees, agents, subcontractors or other third parties engaged to provide installation or repair services in connection with the Goods.

13.1.2 Any claim made against the Company by a third party for death, personal injury or damage to property arising out of or in connection with defective Goods or the installation or repair of the Goods, to the extent that the defect in the Goods or defective installation or repair of the Goods, is attributable to the acts or omissions of the Customer, its employees, agents, subcontractors or other third parties engaged to provide installation or repair services in connection with the Goods.

14. Force Majeure

14.1 The Company reserves the right to defer the date of delivery or to cancel the contract or reduce the volume of the Goods and/or Services ordered by the Customer and shall not be liable to the Customer or be deemed to be in breach of the Contract if it is prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of the Company including, without limitation, acts of God, governmental actions, war or national emergency, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock outs, strikes or other labour disputes, (whether or not relating to either party's workforce), restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials or late delivery or performance or non-delivery or non-performance by suppliers or subcontractors, import or export regulations or embargos, power failure or breakdown in machinery and acts, restrictions, regulations, bylaws, prohibitions or measures of any kind on the part of any governmental, parliamentary or local authority Provided that, if the event in question continues for a continuous period in excess of 6 months, the Customer shall be entitled to give notice in writing to the Company to terminate the Contract.

15. Intellectual Property

15.1 In the absence of contrary written agreement between the Customer and the Company, as between the Customer and the Company all the Intellectual Property Rights in the Goods, the Services and in any drawings, software (except for Goods, drawings and/or software owned by any third party) or other documentation or materials supplied by the Company to the Customer shall vest in and remain vested in the Company and upon receipt of a written request from the Company the Customer agrees to execute any document the Company deems necessary to give effect to this clause.

15.2 The Customer acknowledges that all Intellectual Property Rights in any drawings, specifications, documents and materials are and will remain the property of the Company (except for drawings, specifications, documents and materials owned by any third party) and that the Customer shall not acquire any title, right or interest in any such Intellectual Property Rights.

15.3 The Company shall have no liability in respect of any claims and actions against the Customer for infringement of any Intellectual Property Rights arising from the use of Goods, where any such infringement is due to:

15.3.1 the Company having followed a design or instruction or any other document or information furnished or given by the Customer; or

15.3.2 the use of or installation of such Goods in a manner or for a purpose or in a country not specified or disclosed to the Company in writing prior to the Contract being made; or

15.4 The Customer on its part represents and warrants to the Company that any design, or instruction or any other document or information furnished or given by the Customer shall not be such as will cause the Company to infringe any Intellectual Property Rights of a third party in the execution of the Customer's order. The Customer agrees to indemnify the Company and keep it indemnified at all times against all or any costs, claims, damages or expenses incurred by the Company, or for which the Company may become liable, with respect to any claim that any Intellectual Property Rights of a third party have been infringed.

16. Availability of Materials, Licences etc

If the performance of the Contract requires the Company to have any permit or licence from any government or other authority or third party at home or overseas, the order will be conditional on such permit or licence being available at the required time and the Customer will use its best endeavours to assist the Company to obtain such licence. Where the Goods and/or Services being supplied include software which is owned by a third party, it will be the responsibility of the Customer to enter into and pay for a software licence with the third party provider of the software. Where the software to be used in connection with the Goods or Services is owned by the Company, the Company will grant to the Customer a non-exclusive licence to use such software on terms to be specified by the Company in Writing.

The Customer shall restrict disclosure of such confidential material to such of its employees, agents or subcontractors as need to know the same for the purpose of discharging the Customer's obligations to the Company, and shall ensure that such employees, agents or sub-contractors are subject to obligations of confidentiality corresponding to those which bind the Customer.

20.2 All materials, equipment and tools, drawings, specifications and data supplied by the Company to the Customer shall, at all times, be and remain the exclusive property of the Company, but shall be held by the Customer in safe custody at its own risk and maintained and kept in good condition by the Customer until returned to the Company, and shall not be disposed of or used other than in accordance with the Company's written instructions or authorisation.
